

Verena Barth-Jurca

I was born in Sibiu (Romania) and grew up in Nürnberg (Germany), where I got my first singing lessons and was member of the children's choir of the State Opera of Nürnberg. With 18 years I already sang my first main role: Maria in WEST SIDE STORY (L. Bernstein) in Fürth (Germany).

Studies:

Opera and Operetta Performance
at the Vienna Conservatory
and completed both with
Master of Arts with honours

Private **acting lessons** completed my studies.

I also pursued an extensive **dance education** in:

Jazz Dance
Modern Dance
Tap Dance
Argentin Tango
Ballroom
Latin American Dance
also: Dance Trainer Licence

It was during my studies that I made my debut at the **Wiener Staatsoper** (Vienna State Opera/ children's opera) which was followed by **performances** in Austria, Switzerland, Germany, Denmark, Japan and the Caribbean Islands.

From 2011 - 2015 I was a permanent ensemble member of **Oper Leipzig** and their Musical Comedy. It was in Leipzig, that my large repertoire of soubrette roles was built up.

From that time on I'm continuously working as a freelance singer in Germany and abroad.

I'm regularly creating and performing
Solo programs and shows with the main focus on Operetta and Musical.
